

Medicare Open Enrollment Is Over - Now What?

The official US government website for Medicare has tons of useful information regarding health & drug plans, facilities & doctors, and services & benefits. It's also a great resource if you have questions about the open enrollment period that just ended in December.

Did you change plans for 2012? You should have already gotten your new membership card in the mail. If you haven't, contact your new plan.

Did you miss Open Enrollment? Learn about [other times when you can make changes](#) to your Medicare coverage.

You can switch once to a 5-star Medicare plan anytime during the year. Find 5-star plans in your area at www.medicare.gov.
